To the best knowledge of the Stockholder, there are no material pending proceedings (or any such proceedings known to be contemplated by governmental authorities) to which the Stockholder or the Nominee, or any of their respective associates or affiliates, is a party adverse to the Company or any of its subsidiaries, or in which the Stockholder or the Nominee or any of their respective associates or affiliates has a material interest adverse to the Company or any of its subsidiaries.

Interests in the Company

Other than as set forth herein, neither the Stockholder nor the Nominee, nor any of their respective associates or affiliates have had or will have a direct or indirect material interest in any transaction, or series of similar transactions, since the beginning of the Company's last fiscal year, or any currently proposed transaction, or series of similar transactions, to which the Company or any of its subsidiaries or affiliates was or is to be a party and where the amount involved exceeds \$120,000.

Absence of Any Family Relationships

Neither the Stockholder nor the Nominee, nor any of their respective associates or affiliates, has any family relationship with any director or executive officer of the Company, or person known to be nominated or chosen to become a director or executive officer of the Company, or an executive officer of any subsidiary or other affiliate of the Company.

Neither the Stockholder nor the Nominee has failed to file, or has failed to file on a timely basis, reports during the last fiscal year or the current fiscal year related to the Company that are required by Section 16(a) of the Exchange Act.

Interest in Matters to Be Acted Upon

As of the date of this letter, the Stockholder's interest in the election of the Nominee and the approval of the Proposals by the Company's stockholders at the Stockholder Meeting is derived from its ownership of the Shares, its interest in seeing the Nominee elected to serve as a director of the Company, its interest in improving the Company's operating performance and corporate governance practices and as set forth herein.

To the best knowledge of the Stockholder, as of the date of this letter, neither the Nominee nor any of his associates or affiliates has any material or substantial interest, direct or indirect, in any matter to be acted upon at the Stockholder Meeting other than such interest that is derived from their direct and indirect ownership of the Shares, including such ownership interest in the Shares that is derived through their ownership interests in the Stockholder, the interest of the Nominee in being elected to serve as a director of the Company, the interest of the Nominee in improving the Company's operating performance and corporate governance practices and as set forth herein.

The Nominee may also be deemed to have an interest in his nomination for election to the Magellan Board by virtue of the compensation the Nominee will receive from the Company as a director if elected to the Magellan Board.

One of the Proposals noticed hereby, Proposal 2 as set forth on Exhibit A hereto, is intended to deter the current members of the Board from amending the Bylaws or taking other actions that would create obstacles to the election of the Nominee. The Stockholder and the Nominee may be deemed to have an interest in this Proposal insofar as adoption of this Proposal may facilitate the election of the Nominee.

Arrangements or Understandings

On March 10, 2008, the Nominee was granted irrevocable proxies (collectively, the "Irrevocable Proxies") with respect to the shares of Magellan Common Stock held by the Stockholder, Langston Company Holding Ltd, a corporation organized under the laws of the British Virgin Islands ("Langston"), and Yonado Ltd., a corporation organized under the laws of the State of Israel ("Yonado"). Copies of the Irrevocable Proxies were filed as exhibits to the Schedule 13D (the "Schedule 13D") filed by the Nominee, the Stockholder, Langston and Yonado (collectively, the "Schedule 13D Reporting Persons") with the SEC on March 12, 2008 and any description of the Irrevocable Proxies contained herein is qualified in its entirety by reference to such filed copies of the Irrevocable Proxies.

Except as set forth herein or in the Schedule 13D, neither the Stockholder nor the Nominee is, or has been within the past year, a party to any contract, arrangement or understanding with any person with respect to any securities of the Company, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies.

Except as set forth herein, neither the Stockholder nor the Nominee beneficially own, directly or indirectly, any securities of any parent or subsidiary of the Company. None of the corporations or organizations in which the Nominee has conducted his principal occupation or employment was or is a parent, subsidiary or affiliate of the Company, and the Nominee does not hold any position or office with the Company.

Except as set forth herein, neither the Stockholder nor the Nominee nor any of their respective associates or affiliates has any arrangements or understandings with respect to any future employment by the Company or any of its affiliates or with respect to any future transactions to which the Company or any of its affiliates will be or may be a party.

Under the applicable regulations of the Commission, the Nominee will be deemed to be a "participant" in the Stockholder's solicitation of proxies due to his status as a nominee for election to the Board. Except as provided herein, there are no arrangements or understandings between the Stockholder or the Nominee and any other person pursuant to which the nomination of the Nominee is to be made by the Stockholder.

The Nominee has executed a written consent agreeing to be a nominee for election as a director of the Company and to serve as a director if so elected, which consent is included in Annex I hereto.

The Nominee will not receive any compensation or other consideration from the Stockholder or any other person for either his services as a nominee or for his service as a director of the Company, if elected. If elected, the Nominee would be entitled to such compensation from the Company as is provided to other non-employee directors, which amounts, if equal to those historically paid by the Company, are set forth in the 2007 Proxy Statement. The Stockholder anticipates that the Nominee, if elected, will be indemnified for his service as a director of the Company to the same extent that indemnification is provided to the current directors of the Company and that the Nominee will be covered by the Company's officer and director liability insurance to the same extent that such coverage is provided to the current directors of the Company.

Compensation Committee Interlocks and Insider Participation

The Nominee was not, during the fiscal year ended June 30, 2007, an officer or employee of the Company, and the Nominee is not a former officer of the Company. The Nominee does not have a relationship that would constitute an interlocking relationship with executive officers and directors of another entity.

Independence

The Nominee has not been an employee of the Company at any time within the last three years, and none of his immediate family members are currently, or have been within the past three years, executive officers of the Company.

Neither the Nominee nor any of his immediate family members have received more than \$100,000 in direct compensation (including payments to business entities owned by the Nominee or such immediate family members) from the Company during any twelve-month period within the last three years, subject to the exceptions set forth in Nasdaq Marketplace Rule 4200(a)(15).

Neither the Nominee, nor any of his immediate family members, is a current partner or a current employee of the Company's auditor, Deloitte & Touche, LLP. Neither the Nominee, nor any of his immediate family members, was, within the last three (3) years, a partner or employee of Deloitte & Touche, LLP who personally worked on the Company's or any of its subsidiaries' audits during that time.

Neither the Nominee, nor any of his immediate family members, is currently a partner in, or a controlling stockholder or an executive officer of, a company to which the Company has made, or from which the Company received, payments for property or services in the current or any of the past three (3) fiscal years that, in any single fiscal year, exceeded the greater of 5% of the recipient's consolidated gross revenues for that year or \$200,000, subject to the exceptions set forth in Nasdaq Marketplace Rule 4200(a)(15).

The Stockholder has no knowledge of any facts that would prevent the Magellan Board from determining that the Nominee is independent for purposes of Nasdaq Marketplace Rule 4200(a)(15).

Ownership of Common Stock of the Company

Exhibit B hereto sets forth for the Stockholder (i) the number of shares of the Company's securities held of record, (ii) the number of shares of the Company's securities beneficially owned and the nature of such beneficial ownership and (iii) the name and address of the beneficial and record holders of the Company securities as described in clauses (i) and (ii) of this paragraph. Share ownership is provided in this notice as of the date hereof. Except as otherwise noted, the name and address of each record holder is current and matches the name and address on the Company's stock ledger.

The Shares held by the Stockholder were originally purchased using funds on-hand through, and held in, various brokerage custodian accounts which, from time to time in the ordinary course, may utilize margin borrowing in connection with purchasing, borrowing or holding securities, and such shares may thereby have been, or in the future may become, subject to the terms and conditions of such margin debt and term, together with all other securities held therein. Since other securities may be held in such accounts from time to time, it is not possible to determine the amounts, if any, of margin used with respect to the purchase of the Shares. As of the date hereof, no part of the purchase price or market value of any of the shares of the Company's securities held by the Stockholder are represented by funds borrowed or otherwise obtained for the purpose of acquiring of holding such shares.

As of the date of this Notice, the Nominee may be deemed to be the beneficial owner of an aggregate of 606,470 shares of Magellan Common Stock, including (i) the 84,500 shares held directly by the Nominee, (ii) the 304,780 shares held by the Stockholder, (iii) the 95,800 shares held by Yonado, and (iv) the 121,390 shares held by Langston. The Nominee has the sole power to vote and dispose of 84,500 Shares directly and beneficially owned by him. Given that the Nominee is the Chief Executive Officer of the Stockholder, the Nominee may also be deemed to have shared dispositive power with respect to the 304,780 Shares directly held by the Stockholder. Giving effect to the irrevocable proxies discussed above and assuming no change in the number of shares of Magellan Common Stock held by either Yonado or Langston since the filing of the Schedule 13D, the Nominee may be deemed to have shared voting power with respect to an aggregate of 521,970 Shares and sole voting power with respect to 84,500 Shares. The Nominee does not beneficially own, directly or indirectly, any securities of any parent or subsidiary of the Company.

The Shares held by the Nominee were originally purchased with personal funds through, and held in, various brokerage custodian accounts which, from time to time in the ordinary course, may utilize margin borrowing in connection with purchasing, borrowing or holding securities, and such shares may thereby have been, or in the future may become, subject to the terms and conditions of such margin debt and term, together with all other securities held therein. Since other securities may be held in such accounts from time to time, it is not possible to determine the amounts, if any, of margin used with respect to the purchase of the Shares. As of the date hereof, no part of the purchase price or market value of any of the shares of the Company's securities held by the Nominee are represented by funds borrowed or otherwise obtained for the purpose of acquiring of holding such shares.

Transactions in the Company's Securities

Exhibit C hereto sets forth a schedule of all transactions by the Stockholder and the Nominee in the securities of the Company effected within the past two (2) years. Except as otherwise specified, all purchases and sales were made in the open market.

Information Regarding the Proxy Solicitation

The Stockholder intends that it will deliver a proxy statement and form of proxy to a sufficient number of holders of the Company's voting shares to elect the Nominee and approve the Proposals. Additionally, the Stockholder intends to appear in person or by proxy at the Stockholder Meeting to nominate the Nominee and make the Proposals.

Proxies may be solicited by mail, facsimile, advertisement, telephone, the Internet, telegraph and personal solicitation, and any other means permitted by applicable law. No additional compensation will be paid to the Nominee for the solicitation of proxies. Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward the solicitation materials to their customers for whom they hold shares of record, and they will be reimbursed by the Stockholder for their reasonable out-of-pocket expenses.

The Stockholder has retained The Altman Group, Inc. ("TAG") to provide it with proxy solicitation and advisory services in connection with the solicitation. It is anticipated that TAG will employ approximately twenty-five (25) persons to solicit the Company's stockholders for the Stockholder Meeting. The Stockholder has agreed to pay to TAG a fee not expected to exceed \$38,000 and to reimburse TAG for its reasonable out-of-pocket expenses. The Stockholder has also agreed to indemnify and hold TAG and all its employees harmless against certain liabilities and expenses, including certain liabilities arising under the federal securities laws, incurred as a result of providing solicitation and advisory services in connection with the Stockholder's proxy solicitation.

Expenses Relating to the Proxy Solicitation

The entire expense of preparing, assembling, printing and mailing the Stockholder's proxy statement and related solicitation materials and the cost of soliciting proxies will be borne by the Stockholder. In the event that the Nominee is elected to the Company's Board of Directors at the Stockholder Meeting and/or the Proposals are approved by the requisite vote of the Company's stockholders, the Stockholder intends to seek reimbursement of such expenses from the Company and does not intend to submit such reimbursement to a vote of stockholders.

The costs of this solicitation of proxies, and other costs specifically related to this proxy solicitation, are currently estimated to be, approximately \$150,000. The Stockholder estimates that through the date hereof, its total expenditures to date for, in furtherance of, or in connection with, its proxy solicitation are approximately \$35,000.

General

Under the applicable regulations of the SEC, each of the Stockholder and the Nominee will be deemed to be a "participant" in the Stockholder's solicitation of proxies in support of the Nominee and the Proposals at the Stockholder Meeting. As of the date hereof, to the knowledge of the Stockholder and based on the Company's filings with the SEC, including the 2007 Proxy Statement, the full Board of Directors of the Company consists of five (5) directors, divided into three classes and, based upon the Company's 2007 Proxy Statement, the Stockholder is assuming that only one (1) directorship will be open for election at the Stockholder Meeting. The Stockholder reserves the right to nominate additional and/or substitute nominees if the Company has increased or increases the number of directors to be elected at the Stockholder Meeting, if the composition of the Company's Board of Directors changes prior to the Stockholder Meeting, or if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominee. Shares of Magellan Common Stock represented by proxies given to the Stockholder will be voted for any such additional and/or substitute nominee. Additionally, if the Nominee (or any additional and/or substitute nominee) is unable or unwilling to stand for election for any reason at the Stockholder Meeting, including due to death or disability, the Stockholder reserves the right to nominate a substitute nominee in the place of such Nominee (or additional and/or substitute nominee). The Stockholder's reservation of the foregoing rights, and any of the foregoing actions that may be taken by the Stockholder, are and shall be without prejudice to the issue of whether any such action by the Company was valid under the circumstances and will not limit the Stockholder's or any other person's rights to challenge such actions.

The Stockholder also reserves the right to give further notice of business to be made or conducted at the Stockholder Meeting or any other meeting of the Company's stockholders.

The Company is cautioned not to take any action that would adversely impact the Stockholder's ability to effectuate the change in the composition of the Board of Directors of the Company as indicated in this notice or the right of the Company's stockholders to support the Stockholder's nominations or the Proposals.

The Stockholder, in furnishing this notice or any additional information, does not concede the validity or enforceability of any of the provisions of the Bylaws or any other matter, including any provisions in the Bylaws that purport to impose advance notice requirements or otherwise limit the right of any stockholder to present business for consideration at any meeting of the stockholders, and expressly reserves the right to challenge the validity, application and interpretation of any such provisions or any other matter.

The information included herein represents the Stockholder's best knowledge as of the date hereof. The Stockholder reserves the right, in the event such information shall be or become inaccurate, to provide corrective information to the Company as soon as reasonably practicable, although the Stockholder does not commit to update any information which may change from and after the date hereof.

If this Notice shall be deemed for any reason by a court of competent jurisdiction to be ineffective with respect to the nomination of the Nominee at the Stockholder Meeting, or if the Nominee shall be unable to serve for any reason, then in addition to any other rights or remedies the Stockholder may have, this Notice shall continue to be effective with respect to any replacement Nominee(s) selected by the Stockholder.

As you are aware, the Stockholder is providing this notice in advance of the Company's deadline for submission of stockholder proposals and nominations and the Stockholder believes it has fully satisfied all purported requirements for the content of this notice as set forth in applicable provisions of the Bylaws. Any claim that this notice is in any way defective or deficient, and all further correspondence on this matter, should be addressed to ANS Investments LLC, Attention: Jonah M. **PROPOSALS INTENDED TO BE MADE BY ANS INVESTMENTS LLC
AT THE 2008 ANNUAL MEETING OF STOCKHOLDERS,
OR OTHER MEETING OF STOCKHOLDERS HELD IN LIEU THEREOF,
OF MAGELLAN PETROLEUM CORPORATION (THE "COMPANY")
(IN ADDITION TO THE NOMINATION OF ONE (1) NOMINEE FOR
ELECTION TO THE BOARD OF DIRECTORS OF THE COMPANY)**

Proposal 1 : Resolution urging the Company's board of directors to take the necessary steps to eliminate the classification of the Company's Board of Directors.

RESOLVED, that the stockholders of the Company urge the board of directors to take the necessary steps (excluding those steps that must be taken by the stockholders) to eliminate the classification of the Company's board of directors and to require that all directors stand for election annually and that such declassification should be completed in a manner that does not affect the unexpired terms of directors.

Reason for the Proposal: The election of directors is the primary avenue for stockholders to influence corporate governance policies and to hold management accountable for its implementation of those policies. We believe that annual elections of the entire board promote accountability. They also foster communications between investors and their elected representatives, directors. The Company's classified board of directors is divided into three classes, with approximately one-third of the directors elected annually to three-year terms. Eliminating this classification system would require each director to stand for election annually and would give stockholders an opportunity to register their views on the performance of the board collectively and on each director individually. We believe that the annual election of directors is one of the best methods available to stockholders to ensure that the Company will be managed in a manner that is in their interests.

Proposal 2: Repeal of any and all amendments to the Company's Amended and Restated Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) that are adopted by the Company's Board of Directors since April 18, 2007.

RESOLVED, that any and all amendments to the Company's Amended and Restated Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) which are adopted subsequent to April 18, 2007 (the last date of reported changes) and before the effectiveness of the foregoing Proposal and the seating of the Nominee on the Company's Board of Directors, other than those provisions which were duly adopted by the stockholders of the Company and those provisions which under the laws of the State of Delaware cannot be repealed by the stockholders of the Company, be, and hereby are, repealed; and further

RESOLVED, that, without the affirmative vote of the holders of a majority of the stock of the Company having voting power, the Company's Board of Directors may not thereafter amend any section of the Bylaws affected by such repeal or adopt any new Bylaw provision in a manner which serves to reinstate any repealed provision or adopt any provision having a similar effect as the repealed provision.

Reason for the Proposal: This Proposal is designed to prevent the current Board of Directors of the Company from taking any unilateral action through the date of the Stockholder Meeting to amend the Company's Bylaws to attempt to impede our proxy solicitation, affect corporate governance at the Company or nullify or delay any of the actions taken by the stockholders under these Proposals. Based on publicly available information, the most recent version the Company's Bylaws was adopted on April 18, 2007 and publicly filed with the SEC on such date, and no amendments after that date have been publicly disclosed.

**ANS INVESTMENTS DISCLOSES ITS NOMINATION OF
A CANDIDATE FOR THE MAGELLAN PETROLEUM BOARD
Proposes Highly-Qualified and Very Experienced Nominee
Dedicated to Improving Operating Performance,
Enhancing Corporate Governance and Imposing Accountability**

NEW YORK, NY September 11, 2008 - ANS Investments LLC today announced that it intends to solicit proxies relating to the 2008 annual meeting of shareholders of Magellan Petroleum Corporation (NasdaqCM: MPET) to elect Jonah M. Meer, the founder and Chief Executive Officer of ANS Investments, to the Magellan Petroleum Board of Directors. ANS Investments believes that the election of its highly-qualified and experienced nominee, an individual with a strong background as a senior executive and director of public companies, will strengthen Magellan Petroleum's Board by adding an independent director with a shareholder orientation and focus, extensive accounting and financial expertise, and a firm and unwavering commitment to enhancing shareholder value, improving operating performance and enhancing corporate governance. ANS Investments detailed its intention in a written notice that is being delivered to Magellan Petroleum today and which will be made publicly available when it is filed with the Securities and Exchange Commission (SEC).

According to the 2007 annual meeting proxy statement filed with the SEC by Magellan Petroleum, due to the staggered structure of the Magellan Petroleum Board, only one seat on the Board will be up for election this year, the seat currently occupied by Timothy Largay, a partner in Murtha Cullina LLP, a law firm that has served as outside counsel to Magellan Petroleum for more than five years. Mr. Margay has served on the Magellan Petroleum Board since 2001. According to the Magellan Petroleum Annual Report on Form 10-K for the fiscal year ended June 30, 2007, as filed with the SEC, Mr. Largay's firm was paid fees of \$114,415, \$170,481 and \$144,596, in fiscal years 2007, 2006 and 2005, respectively. In addition to Mr. Largay's position on the Magellan Petroleum Board of Directors, he also serves as the Assistant Corporate Secretary of Magellan Petroleum. Another partner of Murtha Cullina, Edward B. Whittemore, serves as the Corporate Secretary of Magellan Petroleum.

“Unlike any of the current members of the Magellan Petroleum Board of Directors, including Mr. Largay, or any members of Magellan Petroleum’s senior management team, we are a significant shareholder with a significant amount of our capital invested in the company,” said Mr. Meer. “Accordingly, our interests are aligned with virtually all shareholders. In recent months, we have attempted on a number of occasions to engage the Board’s Chairman in a constructive and thoughtful dialogue concerning a host of issues relating to how best to collaborate and work together to enhance shareholder value, including our thoughts and suggestions on changes in strategy, operations, focus and use of capital that we believe, if implemented, would have the potential to improve shareholder returns. We believe that there are clearly a number of untapped opportunities to improve value at Magellan Petroleum through, among other things, sharper strategic focus, better operational execution and more efficient uses of capital. Through constructive engagement, we had hoped to be a productive catalyst for improving shareholder value. Unfortunately, we have found the current Board of Directors to be unapproachable, unwilling to listen to our ideas and suggestions and unresponsive to our concerns with respect to operating performance, corporate governance and other issues affecting shareholder value. As much as we would have liked to avoid the time and expense of a very costly and distracting proxy contest, various events that have occurred over the past year have convinced us that this proxy contest is not only inevitable but absolutely necessary if the interests of shareholders are to be protected. Among such events are the following:

- In February of this year, Magellan Petroleum agreed to settle its tax dispute with the Australian tax authorities relating to an audit that found that a subsidiary of Magellan Petroleum had claimed certain tax deductions that it was not entitled to. That settlement resulted in a payment to the Australian tax authorities of (Aus) \$14.6 million (U.S. \$13.1 million) and, consequently, caused the company to report a loss in its Quarterly Report for the three months ended March 31, 2008. Rather than take responsibility and hold someone in management accountable for taking these now disallowed deductions, the company attributes the tax dispute to aggressive actions taken by the Australian tax authorities and attempts to “sell the settlement” as necessary to avoid “a protracted and costly legal battle” with the Australian tax authorities.
 - Earlier this month, Magellan Petroleum publicly announced that shareholders can no longer rely on the financial information in the company’s three most recent quarterly financial reports filed with the SEC due to certain miscalculations that caused certain expenses to be understated.
 - According to Magellan Petroleum’s Quarterly Report for the three months ended March 31, 2008, as filed with the SEC, there has been a significant increase in the company’s operating expenses during the nine month period ended March 31, 2008, including auditing, accounting and legal expenses which have been allowed to increase 77% and other administrative expenses which have increased 40%, in each case when compared to the nine month period ended March 31, 2007.
-

Since reaching its 52-week high on May 21, 2008 of \$2.05, the price of Magellan Petroleum's stock has subsequently tumbled approximately 41%.

Notwithstanding, the numerous provisions in the Bylaws of Magellan Petroleum that have the effect of insulating the current members of the Magellan Petroleum Board, including a staggered board structure that prevents all the directors from standing for election each year, the time has come to make the Magellan Board and its management accountable to shareholders."

The Nominee - Jonah M. Meer

In nominating Mr. Meer, ANS Investments believes that it has proposed a highly-qualified and very experienced individual with a strong background as a senior executive and director of public companies who is fully committed to driving shareholder value, improving corporate governance and holding management accountable. Mr. Meer is currently a private investor and entrepreneur involved in various businesses and enterprises. He is the founder and Chief Executive Officer of ANS Investments.

Over the past thirty years, Mr. Meer has been employed as a senior executive and member of the Board of Directors of a number of publicly-traded companies. He has been a senior executive in Wall Street securities firms for more than twenty years having served as the Chief Financial Officer, Chief Operating Officer and a Principal at Oscar Gruss & Son Incorporated from 1983-1996 where he was responsible for all operations of the securities trading firm. He has also served as a Senior Vice President of the international investment firm Oppenheimer & Co. Mr. Meer currently serves as the Chief Executive Officer of jBroker Global Inc, a New York based company that operates an electronic trading center which facilitates cross-border securities trading among major investment firms, multinational banks and financial institutions. Mr. Meer is also the founder and Chief Executive Officer of Planet Brokerage LLC, a FINRA member firm engaged in securities brokerage transactions.

Mr. Meer was appointed by the United States Bankruptcy Court for the Southern District of New York and the Committee of Creditors and Equity Holders as the Trustee of the Actrade Liquidating Trust, successor to the formerly publicly traded companies Actrade Capital, Inc. and Actrade Financial Technologies, Ltd. In such capacity, Mr. Meer is currently responsible for winding down the affairs of the Actrade Group in the United States and other countries and distributing the assets to the involved creditors and shareholders.

In May 2004, Mr. Meer was appointed the Chairman of the Audit Committee of Vie Financial Group, a publicly-traded electronic trading broker dealer serving institutional investors and broker-dealers. He also served as the Audit Committee's Financial Expert (as defined in the General Rules and Regulations under the Exchange Act). He served on the Vie Financial Group Audit Committee until September 2005 when the Vie Financial Group was sold to the institutional securities firm Piper Jaffray Cos.

From 1997 to 2004, Mr. Meer held various senior executive positions, including Chairman of the Board, President and Chief Executive Officer, Chief Operating Officer and Chief Financial Officer of Continental Information Systems Corporation, a publicly-traded specialized financial services company that was engaged in the leasing, sales and management of commercial aircraft and engines, among other assets, and was also engaged in other financing activities, including commercial real estate financing. Mr. Meer has also managed various publicly-traded aircraft leasing partnerships controlled by Lehman Brothers Inc.

Mr. Meer began his career as a tax accountant and attorney, and is admitted to the practice of law in the State of New York. Mr. Meer received his Masters of Laws degree in taxation from the New York University School of Law, and also holds a Juris Doctor degree and a Bachelor of Science degree in accounting.

Proposal to Require That All Directors be Elected Annually

In addition to the election of its nominee, ANS Investments will also be soliciting proxies in support of a shareholder proposal urging the Magellan Petroleum Board to take action to require that all of its members stand for election annually. ANS Investments believes the classified structure of the Magellan Board is not in shareholders' best interests because it reduces accountability to shareholders. The annual election of directors would give the Magellan Petroleum shareholders the ability to completely replace the board each year and, accordingly, the opportunity, on an annual basis, to register their views on the performance of the board collectively and on each director individually.

ANS Investments will also be soliciting proxies in support of a shareholder proposal intended to prevent the current Magellan Petroleum Board members from seeking to entrench themselves and frustrate the will of the shareholders by, among other things, creating obstacles to providing Magellan Petroleum shareholders with the choice and opportunity to vote for ANS Investments' nominee and its other proposals.

ANS Investments also announced today that, in connection with its intended solicitation of proxies to be used at the 2008 annual meeting of shareholders, it has retained the law firm of Blank Rome LLP as its legal advisor and The Altman Group, Inc. as its proxy solicitor.

IMPORTANT INFORMATION

ANS Investments intends to make a preliminary filing with the Securities and Exchange Commission of a proxy statement and an accompanying proxy card to be used to solicit proxies in connection with Magellan Petroleum's 2008 annual meeting of shareholders. Shareholders are advised to read the proxy statement and other documents related to the solicitation of proxies from the shareholders of Magellan Petroleum for use at the 2008 annual meeting when they become available because they will contain important information, including information relating to the participants in such proxy solicitation. When completed, a definitive proxy statement and a form of proxy will be mailed to Magellan Petroleum's shareholders and will be available, along with other relevant documents, at no charge, at the Securities and Exchange Commission's website at <http://www.sec.gov>.

Re: Stockholder List Use Request Pursuant to Rule 14a-7 under the
Securities Exchange Act of 1934, as amended (the "Exchange Act")

Ladies and Gentlemen:

The undersigned stockholder, ANS Investments LLC (the "Stockholder"), with a business address of 50 Battery Place, Suite 7F, New York, New York 10280-1517, is the beneficial owner of 304,780 shares (the "Shares") of the Common Stock, par value \$0.01 per share (the "Common Stock"), of Magellan Petroleum Corporation, a Delaware corporation ("Magellan" or the "Company"). The Stockholder intends to conduct a solicitation of proxies (the "Proxy Solicitation") from the Company's stockholders for use at the 2008 Annual Meeting of Stockholders of the Company and at any adjournments, postponements and continuations thereof or at any other meeting of stockholders held in lieu thereof (the "Annual Meeting").

Pursuant to Rule 14a-7 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Stockholder hereby requests that the Company provide to it the Company's stockholder list and security position listings for the purpose of disseminating solicitation materials to the holders of the Common Stock. Unless specifically indicated otherwise, all references to "Rule" in this letter shall refer to the applicable "rule" promulgated under the Exchange Act.

For purposes of communicating the Company's election under Rule 14a-7(b)(2) to comply with either paragraph (a)(2)(i) or paragraph (a)(2)(ii) of Rule 14a-7, please contact Keith E. In addition, if the Company believes that this request is incomplete or otherwise deficient in any respect, please contact such counsel immediately so that the Stockholder may promptly address any alleged deficiencies.

The Company is required by Rule 14a-7(a)(1) to deliver to the Stockholder within five (5) business days after receipt of this letter the following information:

12. Notification of the Company's election under Rule 14a-7(b)(2) as to whether the Company has elected to mail the solicitation materials or furnish the Stockholder with a stockholder list;

13. A statement of the approximate number of record holders and beneficial holders of the Common Stock, separated by type of holder; and

14. The estimated cost of mailing a proxy statement, form of proxy or other communication to such holders, including to the extent known or reasonably available, the estimated costs of any bank, broker and similar person through whom the registrant has solicited or intends to solicit beneficial owners in connection with the 2008 Annual Meeting.

If the Company elects to mail the solicitation materials pursuant to Rule 14a-7 (a)(2)(i), the Company is required to, among other things, send copies of any proxy statement, form of proxy, or other soliciting material, including a Notice of Internet Availability of Proxy Materials (as described in Rule 14a-16), furnished by the Stockholder to the record holders of the Common Stock, including banks, brokers, and similar entities. A sufficient number of copies must be sent to banks, brokers and similar entities for distribution to all beneficial owners of the Common Stock. The Company shall send the aforementioned solicitation materials with reasonable promptness after the Stockholder's tender of such materials to be sent, envelopes or other containers therefor, postage or payment for postage and other reasonable expenses of effecting such distribution.

If the Company elects to provide the Stockholder with a stockholder list pursuant to Rule 14a-7 (a)(2)(ii), the Company is required to deliver the following information to the Stockholder no later than five (5) business days after receipt of this letter:

1. A reasonably current list of the names, addresses and security positions of the record holders of the Common Stock, including banks, brokers and similar entities;

2. The most recent list of names, addresses and security positions of beneficial owners as specified in Rule 14a-13(b), in the possession, or which subsequently comes into the possession, of the Company;

3. The names of stockholders at a shared address that have consented to delivery of a single copy of proxy materials to a shared address, if the Company has received written or implied consent in accordance with Rule 14a-3(e)(1); and

4. If the Company has relied on Rule 14a-16, the names of the stockholders who have requested paper copies of the proxy materials for all meetings and the names of stockholders who, as of the date that the Company receives the request, have requested paper copies of the proxy materials only for the meeting to which the solicitation relates.

This information should be in the format normally used by the Company for providing such information to its proxy solicitor, accompanied by a printout of the information and any instructions as are necessary to make use of such information. The Company shall furnish the Stockholder with updated record holder information on a daily basis or, if not available on a daily basis, at the shortest reasonable intervals; provided, however, the Company need not provide beneficial or record holder information more current than the record date for the Annual Meeting.

Pursuant to Rule 14a-7(c)(1), enclosed please find a copy of the Schedule 13D filed by the Stockholder with the Securities and Exchange Commission on March 12, 2008. The Stockholder is aware of and will comply with his obligations under Rules 14a-7(d) and 14a-7(e).

Attached hereto as Exhibit A is the declaration required by Rule 14a-7(c)(2) of the Exchange Act containing the attestations required by Rule 14a-7(c)(2)(i) and Rule 14a-7(c)(2)(ii).
