Title of securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share (2)	Proposed maximum aggregate offering price (2)	Amount of registration fee (3)
Common stock, par value \$0.01 per share	60,000,000 shares	\$10.77	\$646,200,000	\$48,012.05

- (1) Represents the number of shares of common stock reserved for issuance under the Amended and Restated Tellurian Inc. 2016 Omnibus Incentive Compensation Plan (the "Restated 2016 Plan") in addition to the 40,000,000 shares of common stock previously registered for issuance pursuant to the registration statement on Form S-8 regarding the Tellurian Inc. 2016 Omnibus Incentive Compensation Plan filed with the Securities and Exchange Commission on February 10, 2017 (File No. 333-216010). Pursuant to Rule 416 under the Securities Act of 1933, as amended (the "Securities Act"), this registration statement shall be deemed to cover any additional securities that may be offered or issued pursuant to any adjustment provisions of the Restated 2016 Plan or the forms of awards granted thereunder.

 - (3) Pursuant to Rule 457(p) under the Securities Act, the registrant is carrying forward to this registration statement on Form S-8 \$231,687,036 in aggregate offering price of securities and \$26,882.53 in registration fees that were previously paid in connection with a registration statement on Form S-3 (Registration No. 333-214068) filed with the SEC on October 12, 2016 (the "Prior Form S-3"), which Prior Form S-3 was withdrawn. No securities were sold under the Prior Form S-3. As a result, the \$74,894.58 registration fee for the 60,000,000 shares of common stock to be registered hereunder has been offset against the registration fees that were previously paid in connection with the Prior Form S-3, leaving \$48,012.05 in registration fees due under this registration statement.

Explanatory Note

On February 10, 2017, Tellurian Inc. ("Tellurian" or the "Company") filed with the Securities and Exchange Commission (the "SEC") a registration statement on Form S-8 (File No. 333-216010) (the "Prior Registration Statement") registering 40,000,000 shares of Tellurian common stock that may be issued under the Tellurian Inc. 2016 Omnibus Incentive Compensation Plan ("2016 Plan"). On September 20, 2017, the Company's stockholders approved an amended and restated version of the 2016 plan (the "Restated 2016 Plan"). This registration statement is being filed to register additional shares of Tellurian common stock that may be issued pursuant to awards granted under the Restated 2016 Plan.

Under each of the 2016 Plan and the Restated 2016 Plan, the maximum number of shares issuable is 40,000,000 plus any remaining shares of authorized common stock available under a prior equity compensation plan. The Restated 2016 Plan provides that shares subject to awards of options or stock appreciation rights will be counted as 0.4 shares for every share granted, while shares subject to other types of awards will be counted as one share for every share granted. As a result of this provision, the Company could ultimately issue more than 40,000,000 shares of Tellurian common stock pursuant to awards granted under the Restated 2016 Plan, depending on the mix of common stock, options, stock appreciation rights, and other awards ultimately issued to participants.

In accordance with Instruction E to the General Instructions to Form S-8, the Company is registering on this registration statement an additional 60,000,000 shares of Tellurian common stock that may be issued pursuant to awards granted under the Restated 2016 Plan, representing the maximum possible number of shares that may be issued pursuant to such awards (i.e., 100,000,000 shares assuming that all awards under the Restated 2016 Plan are made in the form of options or stock appreciation rights). The contents of the Prior Registration Statement are incorporated by reference herein, except to the extent supplemented, amended or superseded by the information set forth herein.

Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the "Securities Act"), this registration statement also covers any additional shares of Tellurian common stock that become issuable pursuant to awards granted under the Restated 2016 Plan by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without receipt of consideration that increases the number of outstanding shares of Tellurian common stock.

PART I INFORMATION REQUIRED IN THE SECTION 10(A) PROSPECTUS

As permitted by the rules of the SEC, this registration statement omits the information specified in the instructions to Part I of Form S-8. Documents containing such information will be sent or given to participants in the employee benefit plan (as defined in Rule 405 under the Securities Act) covered by this registration statement as required by Rule 428(b)(1) under the Securities Act. Those documents are not being filed with the SEC as part of this registration statement or as prospectuses or prospectus supplements pursuant to Rule 424 under the Securities Act. Those documents, and the documents incorporated by reference in this registration statement pursuant to Item 3 of Part II hereof, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company is a Delaware corporation. Section 145 of the Delaware General Corporation Law (the “DGCL”) contains provisions for the indemnification and insurance of directors, officers, employees, and agents of a Delaware corporation against liabilities which they may incur in their capacities as such. Those provisions have the following general effects:

a. A Delaware corporation may indemnify a person who is or was a director, officer, employee, or agent of the corporation against expenses (including attorneys’ fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with any action, suit, or proceeding (other than an action by or in the right of the corporation) if the person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful.

b. A Delaware corporation may indemnify a person who is or was a director, officer, employee, or agent of the corporation in an action or suit by or in the right of the corporation against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged liable to the corporation (except under certain circumstances).

c. A Delaware corporation must indemnify a present or former director or officer against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection with any action, suit, or proceeding to the extent that such person has been successful on the merits or otherwise in defense of the action, suit, or proceeding.

d. A Delaware corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the corporation against liability asserted against such person and incurred by such person in any such capacity or arising from such person’s status as such, whether or not the corporation would have the power to indemnify such person against such liability under Section 145 of the DGCL.

The Company’s amended and restated bylaws generally provide that the Company shall indemnify its directors and officers and advance funds for litigation expenses to the fullest extent permitted by Delaware law, as may be amended from time to time. In addition, the Company has entered or plans to enter into written agreements with each of its directors and certain of its officers to generally indemnify and advance expenses to those individuals to the fullest extent permitted by Delaware law.

In addition, pursuant to Section 102(b)(7) of the DGCL, the Company’s amended and restated certificate of incorporation provides that a director of Tellurian shall not be personally liable to Tellurian or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability:

a. for any breach of the director’s duty of loyalty to the Company or its stockholders;

-
- b. for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
 - c. under Section 174 of the DGCL (relating to unlawful payment of dividends or stock repurchases); or
 - d. for any transaction from which the director derived an improper personal benefit.

The Company maintains directors' and officers' insurance covering certain liabilities that may be incurred by directors and officers in the performance of their duties.

Item 9. Undertakings.

- a. The undersigned registrant hereby undertakes:
 - 1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that:

Paragraphs (1)(i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Houston, State of Texas, on September 26, 2017.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as counsel to Tellurian Inc., a Delaware corporation (the "Company"), in connection with the filing of the Registration Statement on Form S-8 (the "Registration Statement") with respect to the registration under the Securities Act of 1933, as amended (the "Securities Act"), of a total of 100,000,000 shares of the Company's common stock, par value \$0.01 per share (the "Shares"), issuable from time to time pursuant to awards granted under the Company's Amended and Restated 2016 Omnibus Incentive Compensation Plan (the "Restated 2016 Plan").

In connection therewith, we have examined, and relied upon the accuracy of factual matters contained in the Registration Statement, the Restated 2016 Plan, and originals and copies, certified or otherwise identified to our satisfaction, of such other agreements, documents, corporate records, and instruments as we have deemed necessary for the purposes of the opinion expressed below. In giving this opinion, we are assuming the authenticity of all instruments presented to us as originals, the conformity with the originals of all instruments presented to us as copies, and the genuineness of all signatures.

We assume that the Registration Statement has been filed by the Company with the U.S. Securities and Exchange Commission (the "Commission") and will be effective at the time that any of the Shares are issued, and that persons acquiring the Shares will do so strictly in accordance with the terms of the Restated 2016 Plan, and will receive a prospectus containing all of the information required by Part I of the Registration Statement before acquiring such Shares. We further assume that the Shares will continue to be duly and validly authorized on the dates that the Shares are issued pursuant to the terms of the Restated 2016 Plan and the applicable awards granted thereunder and, upon the issuance of any of the Shares, the total number of shares of common stock of the Company issued and outstanding, after giving effect to such issuance of such Shares, will not exceed the total number of shares of common stock that the Company is then authorized to issue under its restated certificate of incorporation.

Based upon the foregoing, we are of the opinion that the Shares, when issued pursuant to awards granted pursuant to the terms of the Restated 2016 Plan (including, where applicable, the payment of the exercise or purchase price, the satisfaction of any vesting or forfeiture restrictions, and the achievement of applicable performance goals, and following due authorization of a particular award thereunder by the Board of Directors of the Company or a duly constituted and acting committee thereof), will be legally issued, fully paid, and nonassessable.

This opinion is limited to the matters expressly stated herein. No implied opinion may be inferred to extend this opinion beyond the matters expressly stated herein. This opinion is limited to the Federal law of the United States of America and to the laws of the State of Delaware.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

To the extent that any permitted action taken by the Board conflicts with action taken by the Compensation Committee, the Board action shall control.

(c) The Plan Administrator also may delegate, by resolution adopted by the Board or the Committee, to a committee of one or more members of the Board and/or to one or more executive officers of the Company the authority to grant Awards under the Plan, including the authority to select Participants to whom Awards shall be granted under the Plan and the number of shares or amount of cash subject to such Awards, subject to the terms of the Plan and any additional limitations as may be contained in resolutions adopted by the Board or the Committee from time to time, except as otherwise necessary to satisfy the requirements of Sections 162(m) of the Code with respect to Awards intended to qualify as performance-based compensation under Section 162(m) and the requirements of Rule 16b-3 with respect to Awards granted under the Plan to Section 16 Insiders.

2. Authority of Plan Administrator

Subject to the express terms and conditions set forth herein, the Plan Administrator shall have the authority and power from time to time to:

(a) select the Participants to whom Awards shall be granted under the Plan and the number of shares or amount of cash subject to such Awards, and prescribe the terms and conditions (which need not be identical) of each such Award, including, in the case of Options and Stock Appreciation Rights, the Option Price, vesting schedule, and duration;

(b) set the terms and conditions of any Award consistent with the terms of the Plan (which may be based on Performance Goals or other performance measures as the Plan Administrator shall determine), and make any amendments, modifications, or adjustments to such Awards as are permitted by the Plan;

(c) construe and interpret the Plan and the Awards granted hereunder, and establish, amend, and revoke rules and regulations for the administration of the Plan, including, without limitation, correcting any defect or supplying any omission, or reconciling any inconsistency in the Plan or in any Award Agreement, in the manner and to the extent it shall deem necessary or advisable, including so that the Plan and the operation of the Plan comply with Rule 16b-3 and the Code, to the extent applicable, and other applicable laws, and otherwise to make the Plan fully effective;

The Plan Administrator shall cause the Company, at the Company's expense, to take any action related to the Plan which may be necessary to comply with the provisions of any U.S. federal, state, or foreign law, or any regulations issued thereunder, which the Plan Administrator determines are intended to be complied with. All Awards and any administrative action taken by the Plan Administrator shall be in conformity with all applicable U.S. federal, state, and local laws and shall not discriminate on the basis of gender, race, color, religion, national origin, citizenship, age, disability, marital or veteran's status, or any other legally protected categories.

Notwithstanding the foregoing, the Plan Administrator shall not be entitled to exercise any discretion otherwise authorized hereunder with respect to any Awards intended to qualify as performance-based compensation under Section 162(m) if the ability to exercise such discretion or the exercise of such discretion itself would cause the compensation attributable to such Awards to fail to qualify as performance-based compensation under Section 162(m), in each case, without the approval of the Board.

3. Indemnification of Plan Administrator

Each member of any committee acting as Plan Administrator, while serving as such, shall be entitled, in good faith, to rely or act upon any advice of the Company's independent auditors, counsel, or consultants hired by the committee, or other agents assisting in the administration of the Plan. SECTION 5 SHARES AVAILABLE FOR THE PLAN

1. Aggregate Shares

(a) Share Authorization

Subject to adjustment as provided in Section 5.3 of this Plan, the maximum number of shares of Common Stock available for grant to Participants under this Plan on or after the Effective Date shall be 40,000,000 shares of Common Stock, plus any remaining authorized shares of Common Stock available under the Prior Plans (and not subject to outstanding awards under the Prior Plans) immediately before the Effective Date, upon which this Plan shall replace the Prior Plans and no further awards shall be made under the Prior Plans. The authorized number of shares of Common Stock from the Prior Plans is subject to adjustment after the Effective Date as set forth in subsection (b) below. The maximum number of shares of Common Stock that may be granted pursuant to Options intended to be Incentive Stock Options shall be 5,000,000 shares, subject to adjustment as set forth in subsection (b) below.

(b) Share Usage

Shares of Common Stock covered by an Award shall only be counted as used to the extent they are actually issued; provided, however, that any shares of Common Stock that are subject to Awards of Options or Stock Appreciation Rights granted on or after the Restatement Effective Date shall be counted against the maximum share limit in Section 5.1(a) as 0.4 shares for every share granted, and any shares of Common Stock that are subject to Awards other than Options or Stock Appreciation Rights granted on or after the Restatement Effective Date shall be counted against this limit as one share for every share granted. Any shares of Common Stock related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares of Common Stock, or are withheld to satisfy the exercise price (in the case of an Option) and/or the tax withholding obligations relating to such Award, or are settled in cash in lieu of shares of Common Stock, shall be available again for grant under this Plan; provided, however, that any shares of Common Stock related to grants or awards made under the Prior Plans that after the Effective Date may lapse, expire, terminate, or are cancelled or surrendered to the Company, without having been exercised in full, shall not become available for grant under this Plan. Such shares of Common Stock related to an Award under this Plan shall increase the share authorization by one (1) share of Common Stock. However, the full number of Stock Appreciation Rights granted that are to be settled by the issuance of shares of Common Stock shall be counted against the number of shares of Common Stock available for Awards under the Plan, regardless of the number of shares of Common Stock actually issued upon settlement of such Stock Appreciation Rights. In addition, the full number of Incentive Stock Options granted under the Plan shall be counted against the maximum number of Incentive Stock

Options that may be awarded under the Plan pursuant to the last sentence of subsection (a) above, regardless of the number of shares of Common Stock actually issued upon exercise of such Incentive Stock Options. The shares of Common Stock available for issuance under this Plan may be authorized and unissued shares of Common Stock or treasury shares of Common Stock.

2. Annual Limitations

(a) Subject to adjustment as provided in Section 5.3 of this Plan, the following limitations shall apply to grants of Awards under the Plan: (i) the maximum aggregate grant with respect to shares of Common Stock that a Participant may be granted in any one calendar year under the Plan pursuant to Awards other than Options or Stock Appreciation Rights shall be 10,000,000 shares of Common Stock; (ii) the maximum aggregate grant with respect to shares of Common Stock that a Participant may be granted in any one calendar year under the Plan pursuant to Awards of Options or Stock Appreciation Rights shall be 10,000,000 shares of Common Stock; and (iii) with respect to a grant of cash, the maximum aggregate award that a Participant may earn in any one calendar year shall be equal to the value of 10,000,000 shares of Common Stock (calculated based on the Fair Market Value of a share of Common Stock as of the time of payment or settlement), and each of the foregoing calendar-year limits shall be proportionately adjusted upward or downward for any period of performance longer or shorter than twelve (12) months.

(b) Notwithstanding anything in this Plan to the contrary, and subject to adjustment as provided in Section 5.3 of this Plan, no Director may be granted, in any one calendar year, Awards specifically granted under this Plan with an aggregate maximum value (calculated based on the Fair Market Value of a share of Common Stock as of the grant date), of more than \$2,000,000. The maximum number of shares of Common Stock subject to Awards granted under the Plan or otherwise during any one fiscal year to any Director, taken together with any cash fees paid by the Company to such Director during such fiscal year for service as a Director shall not exceed \$2,000,000 in total value (calculated based on the Fair Market Value of a share of Common Stock as of the grant date), including for this purpose, the value of any stock-based Awards that are received in lieu of all or a portion of any annual committee cash retainers or other similar cash-based payments and excluding, for this purpose, the value of any dividend equivalent payments paid pursuant to any stock-based Award granted in a previous fiscal year.

3. Adjustments in Authorized Shares

(a) In the event of a Change in Capitalization, the Plan Administrator shall make such proportionate adjustments, if any, as it determines are appropriate and equitable, and to the extent such an action does not conflict with the General Corporation Law of the State of Delaware or other applicable laws or securities exchange rules, to (i) the maximum number and class of shares of Common Stock or other stock or securities with respect to which Awards may be granted under the Plan, (ii) the maximum number and class of shares of Common Stock or other stock or securities that may be issued upon exercise of Nonqualified Options, Incentive Stock Options, and Stock Appreciation Rights, (iii) the Maximum Grants (other than those based on cash limitations), (iv) the number and class of shares of Common Stock or other stock or securities or other property (including cash) which are subject to outstanding Awards granted under the Plan and the Option Price or exercise price therefore, if applicable, and (v) the Performance Goals. Any such adjustment shall be final, binding, and conclusive on all persons claiming any right or interest under the Plan.

(b) Any such adjustment in the shares of Common Stock or other stock or securities (i) subject to outstanding Incentive Stock Options (including any adjustments in the exercise price) shall be made in such manner as not to constitute a modification as defined by Section 424(h)(3) of the Code, and only to the extent otherwise permitted by Sections 422 and 424 of the Code, or (ii) subject to outstanding Awards that are intended to qualify as performance-based compensation under Section 162(m) shall be made in such a manner as not to adversely affect the treatment of the Awards as performance-based compensation.

(c) If, by reason of a Change in Capitalization, a Participant shall be entitled to, or shall be entitled to exercise an Option or Stock Appreciation Right with respect to, new, additional, or different shares of stock or securities of the Company or any other entity, such new, additional, or different shares shall thereupon be subject to all of the conditions, restrictions, and performance criteria which were applicable to the shares of Common Stock that such shares replaced or to the Option or Stock Appreciation Right, as the case may be, prior to such Change in Capitalization.

(d) Notwithstanding the foregoing, (i) any adjustments made pursuant to this Section 5.3 of this Plan to an Award that constitutes a Section 409A Covered Award shall be made in a manner intended to comply with the requirements of Section 409A; and (ii) any adjustments made pursuant to this Section 5.3 of this Plan to an Award that does not constitute a Section 409A Covered Award shall be made in a manner intended to ensure that after such adjustment, the Awards either (A) continue not to be subject to Section 409A or (B) comply with the requirements of Section 409A .

(e) Any adjustment under this Section 5.3 of this Plan need not be the same for all Participants.

4. Effect of Certain Transactions

Following (a) the liquidation or dissolution of the Company or (b) a merger or consolidation of the Company (a “*Transaction*”), (i) each outstanding Award shall be treated as provided for in the agreement entered into in connection with the Transaction (which treatment may be different as among different types of Awards and different holders thereof) or (ii) if not so provided in such agreement, each Participant shall be entitled to receive in respect of each share of Common Stock subject to any outstanding Awards, upon exercise of any Option or Stock Appreciation Right or payment or transfer in respect of any other Award, the same number and kind of stock, securities, cash, property, or other consideration that each holder of a share of Common Stock was entitled to receive in the Transaction in respect of a share of Common Stock; provided, however, that such stock, securities, cash, property, or other consideration shall remain subject to all of the conditions, restrictions, and performance criteria which were applicable to Awards prior to such Transaction, but giving effect to any applicable provision of this Plan or any Award Agreement if the Transaction is a Change of Control. The foregoing is in addition to any rights provided under Section 16 of this Plan in the event of a Change of Control. The treatment of any Award as provided in this Section 5.4 shall be conclusively presumed to be appropriate for purposes of Section 5.3 of this Plan.

SECTION 6 AWARD AGREEMENTS

Upon a determination by the Plan Administrator that an Award is to be granted to a Participant pursuant to Section 7, 8, 9, 10, 11, 12, or 13 of this Plan, an Award Agreement shall be provided to such Participant as soon as practicable specifying, without limitation, the terms, conditions, rights, and duties related thereto, including terms requiring forfeiture of Awards in the event of a Termination of Service by the Participant, and terms relating to Clawback/Forfeiture Events under Section 18.1 of this Plan. Each Award Agreement shall be subject to the terms and conditions of the Plan.

SECTION 7 STOCK OPTIONS

1. Grant of Options

Options may be granted to eligible Participants in such number, and at such times during the term of the Plan, as the Plan Administrator shall determine. The Plan Administrator may grant an Option or provide for the grant of an Option, either from time to time in the discretion of the Plan Administrator or automatically upon the occurrence of specified events, including, without limitation, the achievement of Performance Goals or other performance measures, or the satisfaction of an event or condition within the control of the recipient of the Option or within the control of others. The granting of an Option shall take place when the Plan Administrator by resolution, written consent, or other appropriate action determines to grant such an Option to a particular

Participant at the Option Price. Each Option granted under the Plan shall be identified in the Award Agreement as either an Incentive Stock Option or a Nonqualified Option (or if no such identification is made, then it shall be a Nonqualified Option). No Incentive Stock Option shall be granted to any Participant who is not an Employee of the Company or any “subsidiary corporation” of the Company (as defined in Section 424 (f) of the Code).

2. Special Provisions Applicable to Incentive Stock Options

If an Award is intended by the Plan Administrator to be an Incentive Stock Option, each provision of the Plan and each Incentive Stock Option granted thereunder shall be construed so that each such Option shall qualify as an Incentive Stock Option, and any provision thereof that cannot be so construed shall be disregarded, unless the Employee agrees otherwise. Awards intended to be Incentive Stock Options, in addition to complying with the other provisions of the Plan relating to Options generally, shall be subject to the following conditions:

(a) Ten Percent (10%) Stockholders

An Employee must not, immediately before an Incentive Stock Option is granted to him or her, own stock representing more than ten percent (10%) of the voting power or value of all classes of stock of the Company or of a Subsidiary. This requirement is waived if (i) the Option Price of the Incentive Stock Option to be granted is at least one hundred ten percent (110%) of the Fair Market Value of the stock subject to the Option, determined at the time the Option is granted, and (ii) the Option is not exercisable more than five (5) years from the date the Option is granted.

(b) Annual Limitation

To the extent that the aggregate Fair Market Value (determined at the time of the grant of the Option) of the stock with respect to which Incentive Stock Options are exercisable for the first time by the Employee during any calendar year exceeds One Hundred Thousand Dollars (\$100,000), such Options shall be treated as Nonqualified Options. In applying the limitation in the preceding sentence in the case of multiple Option grants, unless otherwise required by applicable law, Options which were intended to be Incentive Stock Options shall be treated as Nonqualified Options according to the order in which they were granted such that the most recently granted Options are first treated as Nonqualified Options.

(c) Additional Terms

Any other terms and conditions which the Plan Administrator determines, upon advice of counsel, must be imposed for the Option to be an Incentive Stock Option.

(d) Notice of Disqualifying Disposition

If an Employee makes any disposition of shares of Common Stock issued pursuant to an Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to disqualifying dispositions), the Employee shall notify the Company of such disqualifying disposition within twenty (20) days thereof, and from and after such disqualifying disposition, the Options which were intended to be Incentive Stock Options shall be treated as Nonqualified Options.

3. Terms of Options

Except as otherwise provided in the Award Agreement and Section 7.2 of this Plan, all Incentive Stock Options and Nonqualified Options under the Plan shall be granted subject to the following terms and conditions:

(a) Option Price

The Option Price shall be determined by the Plan Administrator in any reasonable manner, but shall not be less than the Fair Market Value of the Common Stock on the date of grant of the Option.

(b) Duration of Options

Options shall be exercisable at such time and under such conditions as set forth in the Award Agreement, but in no event shall any Option (whether a Nonqualified Option or an Incentive Stock Option) be exercisable later than the tenth (10th) anniversary of the date of its grant.

(c) Exercise of Options

Common Stock covered by an Option may be purchased at one time or in such installments over the option period as may be provided in the Award Agreement. Any Common Stock not purchased on an applicable installment date may be purchased thereafter at any time prior to the expiration of the Option in accordance with its terms. To the extent that the right to purchase Common Stock has accrued thereunder, an Option may be exercised, in whole or in part, from time to time by notice to the Company setting forth the amount of Common Stock with respect to which the Option is being exercised; provided however, that except as otherwise provided in the Award Agreement, any partial exercise shall be for whole shares of Common Stock only.

(d) Payment

The purchase price of Common Stock purchased under Options shall be paid in full to the Company upon the exercise of the Option, by delivery of consideration equal to the product of the Option Price and the Common Stock purchased (the "*Purchase Price*"). The Purchase Price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable laws and regulations (including, without limitation, U.S. federal tax and securities laws and regulations, and applicable state corporate law), and as determined by the Plan Administrator in its sole discretion, by any combination of the methods of payment set forth below. The Plan Administrator shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods), and to grant Options that require the consent of the Company to utilize a particular method of payment. The permitted methods of payment are as follows:

(i) by cash, check, bank draft, or money order payable to the Company;

(ii) pursuant to a broker-assisted cashless exercise program developed under Regulation T as promulgated by the U.S. Federal Reserve Board that, prior to the issuance of the Common Stock subject to the Option, results in delivery of a properly executed exercise notice together with irrevocable instructions to a broker approved by the Company to promptly deliver to the Company sufficient proceeds from the sale of Common Stock to pay the aggregate Purchase Price;

(iii) by delivery to the Company (either by actual delivery or attestation presenting satisfactory proof of beneficial ownership of such Common Stock) of shares of Common Stock already owned by the Participant, with the Fair Market Value of such Common Stock as delivered to be determined as of the day of exercise;

(iv) by a "net exercise" arrangement pursuant to which the Company will reduce the number of shares of Common Stock issued upon exercise by the largest whole number of shares with a Fair Market Value (determined as of the same day as the exercise of the Option) that does not exceed the aggregate Purchase Price; provided, however, that shares of Common Stock will no longer be outstanding under an Option and will not be exercisable thereafter to the extent that (A) shares are used to pay the Purchase Price pursuant to the "net exercise," (B) are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or

(v) in any other form of legal consideration that may be acceptable to the Plan Administrator in its sole discretion and permissible under applicable laws and regulations.

(e) No Rights as a Stockholder

A Participant shall have none of the rights of a stockholder with respect to shares of Common Stock subject to an Option until the shares of Common Stock are issued to the Participant upon exercise of the Option.

(f) Restrictions

The Plan Administrator shall determine and reflect in the Award Agreement, with respect to each Option, the nature and extent of the restrictions, if any, to be imposed on the Common Stock which may be purchased thereunder, including, without limitation, restrictions on the transferability of such Common Stock acquired through the exercise of such Options for such periods as the Plan Administrator may determine. In addition, to the extent permitted by applicable laws and regulations, the Plan Administrator may require that a Participant who wants to effectuate a cashless exercise of Options be required to sell the Common Stock acquired in the associated exercise to the Company, or in the open market through the use of a broker selected by the Company, at such price and on such terms as the Plan Administrator may determine at the time of grant, or otherwise. Without limiting the foregoing, the Plan Administrator may impose such restrictions, conditions, or limitations as it determines appropriate as to the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Common Stock issued as a result of the exercise of an Option, including, without limitation, (i) restrictions under an insider trading policy, (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by one or more Participants, and (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

(g) Transferability of Options

Notwithstanding Section 18.2 of this Plan and only if allowed by the Plan Administrator in its discretion, Nonqualified Options may be transferred to a Participant's immediate family members, directly or indirectly or by means of a trust, corporate entity, partnership or other legal entity (with a person who thus acquires such Nonqualified Options by such transfer, a "*Permitted Transferee*"). A transfer of a Nonqualified Option may only be effected by the Company at the request of the Participant and shall become effective upon the Permitted Transferee agreeing to such terms as the Plan Administrator may require and only when recorded in the Company's record of outstanding Options. In the event an Option is transferred as contemplated hereby, the Option may not be subsequently transferred by the Permitted Transferee, except for a transfer back to the Participant or by will or the laws of descent and distribution. A transferred Option may be exercised by a Permitted Transferee to the same extent as, and subject to the same terms and conditions as, the Participant (except as otherwise provided herein), as if no transfer had taken place. As used herein, "immediate family member" shall mean, with respect to any person, such person's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law, and shall include adoptive relationships. In the event of exercise of a transferred Option by a Permitted Transferee, any amounts due to (or to be withheld by) the Company upon exercise of the Option shall be delivered by (or withheld from amounts due to) the Participant, the Participant's estate, or the Permitted Transferee, in the reasonable discretion of the Company.

In addition, to the extent permitted by applicable law and Rule 16b-3, the Plan Administrator may permit a recipient of a Nonqualified Option to designate in writing during the Participant's lifetime a Beneficiary to receive and exercise the Participant's Nonqualified Options in the event of such Participant's death.

(h) Purchase for Investment

The Plan Administrator shall have the right to require that each Participant or other person who shall exercise an Option under the Plan, and each person into whose name the Common Stock shall be issued pursuant

to the exercise of an Option, represent and agree that any and all Common Stock purchased pursuant to such Option is being purchased for investment only and not with a view to the distribution or resale thereof, and that such Common Stock will not be sold except in accordance with such restrictions or limitations as may be set forth in the Option or by the Plan Administrator. This Section 7.3(g) shall be inoperative during any period of time when the Company has obtained all necessary or advisable approvals from governmental agencies and has completed all necessary or advisable registrations or other qualifications of the Common Stock as to which Options may from time to time be granted, as contemplated in Section 17 of this Plan.

(i) **Death of Optionholder**

Unless otherwise provided in an Award Agreement, in the event a Participant's Termination of Service as a result of the Participant's death, then the Option may be exercised (to the extent the Participant was entitled to exercise such Option as of the date of death) by the Participant's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the Option upon the Participant's death, but only within the period ending on the earlier of (a) the date 12 months following the date of death or (b) the expiration of the term of such Option as set forth in the Award Agreement. If, after the Participant's death, the Option is not exercised within the time specified herein or in the Award Agreement, the Option shall immediately cease to be exercisable and terminate for no consideration.

SECTION 8 STOCK APPRECIATION RIGHTS

1. Grant of Stock Appreciation Rights

Stock Appreciation Rights may be granted to Participants in such number, and at such times during the term of the Plan, as the Plan Administrator shall determine. The Plan Administrator may grant a Stock Appreciation Right or provide for the grant of a Stock Appreciation Right, either from time to time in the discretion of the Plan Administrator or automatically upon the occurrence of specified events, including, without limitation, the achievement of Performance Goals or other performance measures, or the satisfaction of an event or condition within the control of the recipient of the Stock Appreciation Right or within the control of others. The granting of a Stock Appreciation Right shall take place when the Plan Administrator by resolution, written consent, or other appropriate action determines to grant such a Stock Appreciation Right to a particular Participant at a particular price. A Stock Appreciation Right may be granted independent of or in tandem or in combination with an Option or other Award under the Plan, as set forth in the applicable Award Agreement.

2. Exercise of Stock Appreciation Rights

A Stock Appreciation Right may be exercised upon such terms and conditions and for such term as the Plan Administrator shall determine; provided, however, no Stock Appreciation Right shall be exercisable later than the tenth (10th) anniversary of the date of its grant. Upon exercise of a Stock Appreciation Right, a Participant shall be entitled to receive Common Stock or the cash equivalent thereof (as determined by the Plan Administrator in its sole discretion except as otherwise provided in an Award Agreement), with an aggregate Fair Market Value determined by multiplying (i) the difference between the Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right over the price determined by the Plan Administrator on the date of grant (which price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date of grant) times (ii) the number of shares of Common Stock with respect to which the Stock Appreciation Right is exercised. The value of any fractional shares shall be paid in cash.

3. Special Provisions Applicable to Stock Appreciation Rights

Stock Appreciation Rights are subject to the following restrictions:

(a) A Stock Appreciation Right granted in tandem with any other Award under the Plan shall be exercisable at such time or times as the Award to which it relates shall be exercisable, or at such other times as the Plan Administrator may determine.

(b) The right of a Participant to exercise a Stock Appreciation Right granted in tandem with any other Award under the Plan shall be canceled if and to the extent the related Award is exercised or canceled. To the extent that a Stock Appreciation Right is exercised, the related Award shall be deemed to have been surrendered unexercised and canceled.

(c) A holder of Stock Appreciation Rights shall have none of the rights of a stockholder with respect to the Common Stock subject thereto until the Common Stock, if any, is issued to such holder pursuant to such holder's exercise of such rights.

(d) The acquisition of Common Stock pursuant to the exercise of a Stock Appreciation Right shall be subject to the same restrictions as would apply to the acquisition of Common Stock acquired upon exercise of an Option, as set forth in Section 7.3 of this Plan.

SECTION 9 PERFORMANCE SHARES AND PERFORMANCE UNITS

1. Grant of Performance Shares and Performance Units

Subject to the limitations in Section 5.2 of this Plan, Performance Shares or Performance Units may be granted to Participants at any time and from time to time as the Plan Administrator shall determine. The Plan Administrator shall have complete discretion in determining the number of Performance Shares or Performance Units granted to each Participant and the terms and conditions thereof. Performance Shares and Performance Units may be granted alone or in combination with any other Award under the Plan. Awards of Performance Shares and Performance Units may be granted to Covered Employees with or without the intention to qualify for the exemption from the limitation on deductibility imposed by Section 162(m) as the Plan Administrator shall determine.

2. Value of Performance Shares and Performance Units

The Plan Administrator shall establish Performance Goals for any specified Performance Periods. Except as otherwise determined by the Plan Administrator and set forth in the Award Agreement, the Performance Period in respect of Performance Shares and Performance Units granted under the Plan shall be at least one (1) year with respect to grants of Performance Shares or Performance Units. Prior to each grant of Performance Shares or Performance Units, the Plan Administrator shall establish an initial amount of Common Stock for each Performance Share and an initial value for each Performance Unit granted to each Participant for that Performance Period. Prior to each grant of Performance Shares or Performance Units, the Plan Administrator also shall set the Performance Goals that will be used to determine the extent to which the Participant receives Common Stock for the Performance Shares or payment of the value of the Performance Units awarded for such Performance Period. With respect to each such Performance Goal utilized during a Performance Period, the Plan Administrator may assign percentages or other relative values to various levels of performance which shall be applied to determine the extent to which the Participant shall receive a payout of the number of Performance Shares or value of Performance Units awarded.

3. Payment of Performance Shares and Performance Units

In the case of a Performance Goal measured over a Performance Period, at or after the end of the Performance Period, the Plan Administrator shall determine the amount, if any, of Awards payable to each Participant based upon achievement of the business criteria over a Performance Period. In the case of a Performance Goal satisfied based upon whether or not certain specified business criteria are achieved at any time during a Performance Period, at or following the satisfaction of the applicable business criteria (even if prior to the expiration of the applicable Performance Period), the Plan Administrator shall determine the amount, if any, of Awards payable to each Participant upon the achievement of the applicable business criteria. After a Performance Period has ended (or at or following the satisfaction of the applicable business criteria, even if prior

to the expiration of the applicable Performance Period), the holder of a Performance Share or Performance Unit shall be entitled to receive the value thereof as determined by the Plan Administrator. The Plan Administrator shall make this determination by first determining the extent to which the Performance Goals set pursuant to Section 9.2 of this Plan have been met. The Plan Administrator shall then determine the applicable percentage or other relative value to be applied to, and will apply such percentage or other relative value to, the number of Performance Shares or value of Performance Units to determine the payout to be received by the Participant. In addition, with respect to Performance Shares and Performance Units intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m), no payout shall be made hereunder except upon written certification by the Plan Administrator that the applicable Performance Goals have been satisfied to a particular extent. The Compensation Committee shall have the authority to determine whether the Performance Goals and other terms and conditions of the Award satisfied all determinations by the Compensation Committee as to the establishment of Performance Goals, the amount of any Award, and the achievement of Performance Goals relating to Awards shall be made in writing in the case of any Award granted to a Participant. The Compensation Committee may not delegate any responsibility relating to such Awards. The Compensation Committee shall have no discretion to modify or waive the Performance Goals or conditions to the grant or vesting of an Award unless such Award is not intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m) and the relevant Award Agreement provides for such discretion, without the approval of the Board.

4. Form and Timing of Payment

The payment described in Section 9.3 of this Plan shall be made in Common Stock, or in cash, or partly in Common Stock and partly in cash, at the discretion of the Plan Administrator and set forth in the Award Agreement. The value of any fractional shares shall be paid in cash. Payment shall be made in a lump sum or installments as prescribed by the Award Agreement, as applicable, and consistent with Section 409A. If Common Stock is to be converted into an amount of cash on any date, or if an amount of cash is to be converted into Common Stock on any date, such conversion shall be done at the then-current Fair Market Value of the Common Stock on such date.

5. Dividend Equivalents

The Award Agreement for Performance Shares or Performance Units shall specify whether, to what extent and on what terms and conditions the applicable Participant shall be entitled to receive current or delayed payments of cash, shares of Common Stock or other property corresponding to the dividends payable on the share of Common Stock. The Plan Administrator may provide that Performance Shares or Performance Units awarded under the Plan shall be entitled to an amount per Performance Share or Performance Unit equal in value to the cash dividend, if any, paid per share of Common Stock on issued and outstanding shares, on the dividend payment dates (“*Dividend Payment Date*”) occurring during the period between the date on which the Performance Shares or Performance Units are granted to the Participant and the date on which such Performance Shares or Performance Units are settled, cancelled, forfeited, waived, surrendered, or terminated under the Plan. Such paid amounts, called “dividend equivalents,” shall be accrued and paid in cash and/or Common Stock (including reinvestment in additional shares of Common Stock) and paid at such time as the Performance Share or Performance Unit to which it relates vests and settles as the Plan Administrator shall determine. The number of shares of Common Stock to be issued and/or reinvested shall be determined based on the Fair Market Value on the Dividend Payment Date. In the event the dividend equivalents are deferred, they shall be payable in accordance with the requirements of Section 409A.

SECTION 10 RESTRICTED STOCK

1. Grant of Restricted Stock

Subject to the limitations in Section 5.2 of this Plan, Restricted Stock may be granted to Participants in such number and at such times during the term of the Plan as the Plan Administrator shall determine. The Plan

Administrator may grant Restricted Stock or provide for the grant of Restricted Stock, either from time to time in the discretion of the Plan Administrator or automatically upon the occurrence of specified events.

2. Restriction Period

Except as permitted by the Plan Administrator and specified in the Award Agreement, the Restricted Stock shall be subject to the satisfaction of vesting and forfeiture conditions for a period of at least one (1) year with respect to Restricted Stock subject to restrictions based upon employment or other service and at least one (1) year with respect to Restricted Stock subject to restrictions based upon the achievement of specific Performance Goals or other performance measures (the “*Restriction Period*”). During the Restriction Period, the Plan Administrator shall evidence the restrictions on the shares of Restricted Stock in such a manner as it determines is appropriate (including, without limitation, (i) by means of appropriate legends on certificates for shares of Restricted Stock that have been certificated, and (ii) by means of appropriate stop-transfer orders for shares of Restricted Stock credited to book-entry accounts).

3. Other Restrictions

The Plan Administrator shall impose such other restrictions on Restricted Stock granted pursuant to the Plan as it may deem advisable, including Performance Goals or other performance measures. The Plan Administrator may require, under such terms and conditions as it deems appropriate or desirable, that the certificates for Restricted Stock delivered under the Plan may be held in custody by a bank or other institution, or that the Company may itself hold such shares in custody, until the Restriction Period expires or until restrictions thereon otherwise lapse, and may require, as a condition of any issuance of Restricted Stock, that the Participant shall have delivered a stock power endorsed in blank relating to the shares of Restricted Stock.

4. Voting Rights; Dividends and Other Distributions

A Participant receiving a grant of Restricted Stock shall be recorded as a stockholder of the Company with respect to such Restricted Stock. Except as otherwise provided under an Award Agreement, a Participant who receives a grant of Restricted Stock shall have the rights of a stockholder with respect to such shares (except as provided in the restrictions on transferability), including the right to vote the shares and receive dividends and other distributions paid with respect to the underlying shares of Common Stock. The Award Agreement may provide that any cash dividend paid on a share of Common Stock subject to the Restricted Stock be (i) paid in cash on or about the Dividend Payment Date; (ii) accrued and paid at such time as the Restricted Stock to which it relates vests and settles; (iii) paid in Common Stock on or about the Dividend Payment Date; (iv) accrued and/or reinvested in additional shares of Common Stock and paid at such time as the Restricted Stock to which it relates vests and settles; or (v) in any combination thereof. The number of shares of Common Stock to be issued and/or reinvested shall be determined based on the Fair Market Value on the Dividend Payment Date. In the event the dividends are deferred, they shall be payable in accordance with the requirements of Section 409A.

5. Issuance of Shares; Settlement of Awards; Forfeiture

When the restrictions imposed by Section 10.2 of this Plan expire or otherwise lapse with respect to one or more shares of Restricted Stock, the Participant shall be obligated to return to the Company any certificate representing shares of Restricted Stock (if applicable), and the Company shall deliver to the Participant one (1) share of Common Stock (which may be delivered in book-entry or certificated form) in satisfaction of each share of Restricted Stock, which shares so delivered shall not contain any legend. The delivery of shares pursuant to this Section 10.5 of this Plan shall be subject to any required share withholding to satisfy tax withholding obligations pursuant to Section 18.10 of this Plan. Any fractional shares subject to such Restricted Stock shall be paid to the Participant in cash. To the extent that the restrictions imposed by Section 10.2 of this Plan do not expire or otherwise lapse during or upon the end of the Restriction Period with respect to one or more shares of Restricted Stock pursuant to the terms and conditions thereof, such shares of Restricted Stock shall be forfeited to

the Company, and the Participant shall be obligated to return to the Company for cancellation any certificate(s) representing shares of such Restricted Stock (if applicable).

SECTION 11 RESTRICTED STOCK UNITS

1. Grant of Restricted Stock Units

Subject to the limitations in Section 5.2 of this Plan, Restricted Stock Units may be granted to Participants in such number and at such times during the term of the Plan as the Plan Administrator shall determine. The Plan Administrator may grant Restricted Stock Units or provide for the grant of Restricted Stock Units, either from time to time in the discretion of the Plan Administrator or automatically upon the occurrence of specified events.

2. Restriction Period

Except as permitted by the Plan Administrator and specified in the Award Agreement, the Restricted Stock Units shall be subject to the satisfaction of vesting conditions, as determined by the Plan Administrator, for a period of no less than one (1) year with respect to Restricted Stock Units subject to restrictions based upon employment or other service and one (1) year with respect to Restricted Stock Units subject to restrictions based upon the achievement of specific Performance Goals or other performance measures (the “*Restriction Period*”).

3. Other Restrictions

The Plan Administrator shall impose such other restrictions on Restricted Stock Units granted pursuant to the Plan as it may deem advisable, including the requirement that certain pre-established Performance Goals be met. A Participant receiving a grant of Restricted Stock Units shall not be recorded as a stockholder of the Company with respect to shares of Common Stock that may be issued in settlement of such Restricted Stock Units, and shall not acquire any rights of a stockholder with respect thereto, unless or until the Participant is issued shares of Common Stock in settlement of such Restricted Stock Units.

4. Dividend Equivalents

The Award Agreement for Restricted Stock Units shall specify whether, to what extent and on what terms and conditions the applicable Participant shall be entitled to receive current or delayed payments of cash, shares of Common Stock or other property corresponding to the dividends payable on the shares of Common Stock. The Award Agreement may provide that Restricted Stock Units awarded under the Plan shall be entitled to an amount per Restricted Stock Unit equal in value to the cash dividend, if any, paid per share of Common Stock on issued and outstanding shares, on the Dividend Payment Dates occurring during the period between the date on which the Restricted Stock Units are granted to the Participant and the date on which such Restricted Stock Units are settled, cancelled, forfeited, waived, surrendered, or terminated under the Plan. Such paid amounts, called “dividend equivalents,” shall be (i) paid in cash on or about the Dividend Payment Date or accrued and paid at such time as the Restricted Stock Unit to which it relates vests and settles, (ii) paid in Common Stock on or about the Dividend Payment Date or accrued and/or reinvested in additional shares of Common Stock and paid at such time as the Restricted Stock Units to which it relates vests and settles, or (iii) paid in any combination thereof of cash or Common Stock. The number of shares of Common Stock to be issued and/or reinvested shall be determined based on the Fair Market Value on the Dividend Payment Date. In the event the dividend equivalents are deferred, they shall be payable in accordance with the requirements of Section 409A.

5. Issuance of Shares; Settlement of Awards; Forfeiture

Except as permitted by the Plan Administrator and specified in the Award Agreement, when the restrictions imposed by Section 11.2 of this Plan expire or otherwise lapse with respect to one or more Restricted Stock Units, Restricted Stock Units shall be settled (i) in cash, or (ii) by the delivery to the Participant of the number of

shares of Common Stock equal to the number of the Participant's Restricted Stock Units that are vested, or any combination thereof, as the Plan Administrator shall determine and is in accordance with Section 409A. The delivery of shares pursuant to this Section 11.5 shall be subject to any required share withholding to satisfy tax withholding obligations pursuant to Section 18.10 of this Plan. Any fractional shares subject to such Restricted Stock Units shall be paid to the Participant in cash. To the extent that the restrictions imposed by Section 11.2 of this Plan do not expire or otherwise lapse during or upon the end of the Restriction Period with respect to one or more Restricted Stock Units pursuant to the terms and conditions thereof, such Restricted Stock Units shall be forfeited and cancelled.

SECTION 12 INCENTIVE AWARDS

1. Incentive Awards

Prior to the beginning of each Performance Period, or not later than ninety (90) days following the commencement of the relevant fiscal year (or such other time as may be required or permitted for "performance-based compensation" under Section 162(m), if applicable), the Plan Administrator shall establish Performance Goals or other performance measures which must be achieved for any Participant to receive an Incentive Award for that Performance Period intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m). The Performance Goals or other performance measures may be based on any combination of corporate and business unit Performance Goals or other performance measures. The Plan Administrator may also establish one or more Company-wide Performance Goals or other performance measures which must be achieved for any Participant to receive an Incentive Award for that Performance Period. Such Performance Goals or other performance measures may include a threshold level of performance below which no Incentive Award shall be earned, target levels of performance at which specific Incentive Awards will be earned, and a maximum level of performance at which the maximum level of Incentive Awards will be earned. Each Incentive Award shall specify the amount of cash and the amount of any shares of Common Stock or other Awards subject to such Incentive Award, provided, that the Award Agreement may permit the Plan Administrator, in its sole discretion, to reduce (but not increase) the amount of any Incentive Award to be paid under the Plan.

2. Performance Goal Certification

An Incentive Award shall become payable to the extent provided herein and in the related Award Agreement, provided that in the case of Awards intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m), the Plan Administrator certifies in writing prior to payment of the Incentive Award that the Performance Goals or other performance measures selected for a particular Performance Period have been attained. In no event will an Incentive Award be payable under this Plan if the threshold level of performance set for each Performance Goal or other performance measure for the applicable Performance Period is not attained.

3. Required Payment of Incentive Awards

The Plan Administrator shall make a determination, as soon as administratively possible after the information that is necessary to make such a determination is available for a particular Performance Period, whether the Performance Goals or other performance measures for the Performance Period have been achieved, the amount of the Incentive Award for each Participant, and whether the Incentive Award shall be paid in cash, shares of Common Stock and/or other Awards under the Plan. The Plan Administrator shall certify the foregoing determinations in writing as provided in Section 2.32 of this Plan; provided, that the Plan Administrator may, in its sole discretion, reduce, but not increase, the amount of the Incentive Award to be paid under the Plan. In the absence of a valid and timely deferral election by the Participant or the Company pursuant to Section 14 of this Plan, and except as otherwise provided in an Award Agreement or explicitly provided herein, the Incentive Award shall be paid as soon as practicable, but in no event later than March 15 following the end of the calendar year in which the foregoing determinations have been made.

SECTION 13 CASH AWARDS AND OTHER STOCK-BASED AWARDS

1. Grant of Cash Awards

Subject to the terms and provisions of this Plan, the Plan Administrator, at any time and from time to time, may grant cash awards to Participants in such amounts and upon such terms, including the achievement of Performance Goals or other specific performance measures, as the Plan Administrator may determine (each, a “*Cash Award*”).

2. Other Stock-Based Awards

The Plan Administrator may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted shares of Common Stock, Awards in lieu of obligations to pay cash or deliver other property, or Common Stock) in such amounts and subject to such terms and conditions, as the Plan Administrator shall determine (each an “*Other Stock-Based Award*”). Such Other Stock-Based Awards may involve the transfer of Common Stock to Participants, or payment in cash or otherwise of amounts based on or valued in whole or in part by reference to the value of Common Stock.

3. Value of Cash Awards and Other Stock-Based Awards

Each Cash Award granted pursuant to this Section 13 shall specify a payment amount or payment range as determined by the Plan Administrator. Each Other Stock-Based Award shall be expressed in terms of Common Stock or units based on Common Stock, as determined by the Plan Administrator. The Plan Administrator may establish performance measures applicable to such Awards in its discretion. If the Plan Administrator exercises its discretion to establish performance measures, the number and/or value of such cash awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance measures are met.

4. Payment of Cash Awards and Other Stock-Based Awards

Payment, if any, with respect to a Cash Award or an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Common Stock as the Plan Administrator determines, and in a manner that complies with or is exempt from Section 409A. The value of any fractional shares shall be paid in cash.

SECTION 14 DEFERRAL ELECTIONS

The Plan Administrator may, in its sole discretion, and to the extent permitted by applicable law (including, without limitation, Section 409A), permit or require Employees to defer all or any portion of Awards under the Plan. Any such deferrals shall be subject to such terms, conditions, and procedures that the Company may establish from time to time in its sole discretion and consistent with the requirements of Section 409A.

SECTION 15 TERMINATION OF SERVICE

1. General

(a) The Award Agreement applicable to each Award shall set forth the effect of a Termination of Service upon such Award; provided, however, that, except as set forth otherwise in an Award Agreement or as determined by the Plan Administrator, (i) all of a Participant’s unvested and/or unexercisable Awards shall automatically be forfeited upon a Termination of Service for any reason, and the Participant shall be permitted to exercise the vested portion of the Option or Stock Appreciation Right for ninety (90) days following Termination of Service, or in the case of a Termination of Service by reason of death or Disability of the Participant, for one

(1) year following Termination of Service, but in each case, in no event may the Participant be permitted to exercise any portion of the Option or Stock Appreciation Right following the expiration date of the Option or Stock Appreciation Right; and (ii) all of a Participant's unvested Awards shall automatically be forfeited upon Termination of Service for Cause, and the Participant shall cease to be permitted to exercise any portion of an Option or Stock Appreciation Right (whether vested or unvested) following Termination of Service for Cause.

(b) Provisions relating to the effect of a Termination of Service upon an Award shall be determined in the sole discretion of the Plan Administrator, and need not be uniform among all Awards or among all Participants. Unless the Plan Administrator determines otherwise in accordance with Section 409A, the transfer of the employment or other service of a Participant between the Company and a Subsidiary shall not constitute a Termination of Service. Except as otherwise determined by the Plan Administrator in accordance with Section 409A, upon an Employer or a Subsidiary ceasing to meet the requirements in the Plan for an Employer or a Subsidiary, as the case may be, the Employees, Consultants, and Directors of such Employer or Subsidiary shall be deemed to have experienced a Termination of Service.

SECTION 16 EFFECT OF A CHANGE OF CONTROL

1. General

The Award Agreement applicable to each Award shall set forth the effect of a Change of Control upon such Award; provided, however, that, except as set forth otherwise in an Award Agreement upon a Change of Control, a Participant's Award shall be treated in accordance with one or more of the following methods as determined by the Plan Administrator in its sole discretion:

(a) The Plan Administrator, in its sole discretion, may accelerate, vest or cause the restrictions to lapse with respect to all or any portion of an Award.

(b) The Plan Administrator, in its sole discretion, may provide for any such Awards, whether or not then vested, to be continued, assumed, have new rights substituted therefor or be treated in accordance with Section 5.3 or Section 5.4 hereof, as determined by the Plan Administrator in its sole discretion. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Option shall comply with the requirements of Treasury Regulation Section 1.424-1 (and any amendments thereto).

(c) The Plan Administrator, in its sole discretion, may provide for the purchase of any Awards by the Company or an Affiliate for an amount of cash equal to the excess of the Change of Control Price (as defined below) of the shares of Common Stock covered by such Awards, over, in the case of Options and Stock Appreciation Rights, the aggregate exercise price of such Awards. For purposes of this Plan, the "Change of Control Price" shall mean the highest price per share of Common Stock paid in any transaction related to a Change of Control of the Company; provided, however, that such price shall not exceed the Fair Market Value of the Common Stock at the time of purchase as determined in accordance Section 409A of the Code.

(d) The Plan Administrator may, in its sole discretion, provide for the cancellation of any Options and Stock Appreciation Rights without payment, if the Change of Control Price is less than the exercise price of such Appreciation Award.

Notwithstanding anything else herein, the Plan Administrator may, in its sole discretion, provide for accelerated vesting or lapse of restrictions, of all or a portion of an Award at any time. Provisions relating to the effect of a Change of Control upon an Award shall be determined in the sole discretion of the Plan Administrator, and need not be uniform among all Awards or among all Participants. The Plan Administrator may, in its discretion, include such further provisions and limitations in any Award Agreement as it may deem equitable and in the best interests of the Company.

SECTION 17 REGULATORY APPROVALS AND LISTING

The Company shall not be required to issue any certificate or create a book-entry account for shares of Common Stock under the Plan prior to:

(a) obtaining any approval or ruling from the U.S. Securities and Exchange Commission, the Internal Revenue Service, or any other governmental agency which the Company, in its sole discretion, shall determine to be necessary or advisable;

(b) listing of such shares on any stock exchange on which the Common Stock may then be listed; and

(c) completing any registration or other qualification of such shares under any federal or state laws, rulings, or regulations of any governmental body which the Company, in its sole discretion, shall determine to be necessary or advisable.

All certificates, or book-entry accounts, for shares of Common Stock delivered under the Plan shall also be subject to such stop-transfer orders and other restrictions as the Plan Administrator may deem advisable under the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed, and any applicable federal or state securities laws, and the Plan Administrator may cause a legend or legends to be placed on any such certificates, or notations on such book-entry accounts, to make appropriate reference to such restrictions. The foregoing provisions of this paragraph shall not be effective if and to the extent that the shares of Common Stock delivered under the Plan are covered by an effective and current registration statement under the Securities Act of 1933, as amended, and if and so long as the Plan Administrator determines that application of such provisions are no longer required or desirable. In making such determination, the Plan Administrator may rely upon an opinion of counsel for the Company. Without limiting the foregoing, the Plan Administrator may impose such restrictions, conditions, or limitations as it determines to be appropriate as to the timing and manner of any resales by a Participant or other subsequent transfers by a Participant of any shares of Common Stock issued under this Plan, including, without limitation, (i) restrictions under an insider trading policy, (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by one or more Participants, and (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

SECTION 18 GENERAL PROVISIONS

1. Clawback/Forfeiture Events

(a) If required by Company policy, by the Sarbanes-Oxley Act of 2002, and/or by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 or other applicable laws, each Participant's Awards shall be subject to repayment or forfeiture in accordance with such applicable laws and Company policy (regardless of whether specified in the applicable Award Agreement, and without limitation on any relevant provisions in the applicable Award Agreement).

(b) The Plan Administrator may specify in an Award Agreement, by resolution or otherwise, that a Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award and/or any Company recoupment, repayment or forfeiture policy. Such events may include, without limitation, termination of employment for Cause, violation of material policies that may apply to the Participant, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company or a Subsidiary.

2. Nontransferability

Unless otherwise provided in the Plan and permitted by law, including but not limited to the Code, the right of a Participant or Beneficiary to the payment of any Award granted under the Plan, and the rights and privileges conferred thereby, shall not be subject to execution, attachment, or similar process, and may not be transferred, assigned, pledged, or hypothecated in any manner (whether by operation of law or otherwise), other than by will or by the applicable laws of descent and distribution, unless the Participant has received the Plan Administrator's prior written consent. Except as otherwise provided for under the Plan, if any Participant attempts to transfer, assign, pledge, hypothecate, or otherwise dispose of any Award under the Plan, or of any right or privilege conferred thereby, contrary to the provisions of the Plan or such Award, or suffers the sale or levy or any attachment or similar process upon the rights or privileges conferred thereby, all affected Awards held by such Participant shall be immediately forfeited.

3. No Individual Rights

Nothing contained in the Plan, or in any Award granted pursuant to the Plan, shall confer upon any Participant any right to continue in the employ of, or as a Consultant for, the Company or a Subsidiary, nor interfere in any way with the right of the Company or a Subsidiary to terminate the employment or service of such Participant at any time with or without assigning any reason there for, except to the extent expressly provided otherwise in a written agreement between the Participant and the Company or any Employer.

4. Other Compensation

Unless determined otherwise by the Plan Administrator or required by contractual obligations, the grant, vesting, or payment of Awards under the Plan shall not be considered as part of a Participant's salary or used for the calculation of any other pay, allowance, pension, or other benefit, unless otherwise permitted by other benefit plans provided by the Company or a Subsidiary, or required by law or by contractual obligations of the Company or a Subsidiary.

5. Leaves of Absence and Change in Status

Leaves of absence for such periods and purposes conforming to the personnel policy of the Company, or of a Subsidiary, as applicable, shall not be deemed a Termination of Service, unless a Participant commences a leave of absence from which he or she is not expected to return to active employment or service with the Company or a Subsidiary; provided, however, that except as otherwise set forth in the Award Agreement, the Plan Administrator may suspend vesting of Awards during a leave of absence. The foregoing notwithstanding, with respect to Incentive Stock Options, employment shall not be deemed to continue beyond the first ninety (90) days of such leave unless the Participant's reemployment rights are guaranteed by statute or contract. With respect to any Participant who, after the date an Award is granted under this Plan, ceases to be employed by or provide services to the Company or a Subsidiary on a full-time basis but continues to be employed or provide services on a part-time basis, the Plan Administrator may make appropriate adjustments, as determined in its sole discretion, as to the number of shares issuable under, the vesting schedule of, or the amount payable under any unvested Awards held by such Participant.

6. Transfers

In the event a Participant is transferred from the Company to a Subsidiary, or vice versa, or is promoted or given different responsibilities, Awards granted to the Participant prior to such date shall not be affected by such event, except as otherwise provided in an Award Agreement or Individual Agreement.

7. Unfunded Obligations

Any amounts (deferred or otherwise) to be paid to Participants pursuant to the Plan are unfunded obligations. Neither the Company nor any Subsidiary is required to segregate any monies from its general funds,

to create any trusts, or to make any special deposits with respect to this obligation. The Plan Administrator, in its sole discretion, may direct the Company to share with a Subsidiary the costs of a portion of the Incentive Awards paid to Participants who are executives of those companies. Beneficial ownership of any investments, including trust investments which the Company may make to fulfill this obligation, shall at all times remain in the Company. Any investments and the creation or maintenance of any trust or any Participant account shall not create or constitute a trust or a fiduciary relationship between the Plan Administrator, the Company, or any Subsidiary, and a Participant, or otherwise create any vested or beneficial interest in any Participant or the Participant's Beneficiary or the Participant's creditors in any assets of the Company or a Subsidiary whatsoever. The Participants shall have no claim against the Company for any changes in the value of any assets which may be invested or reinvested by the Company with respect to the Plan.

8. Beneficiaries

The designation of a Beneficiary shall be on a form provided by the Company, executed by the Participant (with the consent of the Participant's spouse, if required by the Company for reasons of community property or otherwise), and delivered to a designated representative of the Company. The Company may, in its discretion, utilize an electronic process for Beneficiary designations. A Participant may change his or her Beneficiary designation at any time. A designation by a Participant under any predecessor plans shall remain in effect under the Plan, unless such designation is revoked or changed under the Plan. In the event that a Participant becomes divorced, a Beneficiary designation under this Plan or a predecessor plan in favor of his or her divorced spouse shall become void as of the effective date of the divorce, unless the Participant re-designates the former spouse as his or her Beneficiary following the effective date of the divorce. If no Beneficiary is designated, if the designation is ineffective, or if the Beneficiary dies before the balance of a Participant's benefit is paid, the balance shall be paid to the Participant's estate. Notwithstanding the foregoing, however, a Participant's Beneficiary shall be determined under applicable state law if such state law does not recognize Beneficiary designations under plans of this sort and is not preempted by laws which recognize the provisions of this Section 18.8. In the event that the Plan Administrator determines that two or more claims are made by claimed Beneficiaries against the Plan for an Award, the Plan Administrator may initiate an interpleader action in a court of competent jurisdiction to resolve the controversy.

In the event that an Award has vested, its restrictions have lapsed, or it has been exercised and the underlying shares of Common Stock relating to such award have been transferred to a brokerage account, it is the responsibility of the Participant to establish and maintain beneficiary designations with that broker.

9. Governing Law

The Plan, all Award Agreements and all corporate law matters with respect to the Company shall be governed by the General Corporation Law of the State of Delaware.

10. Satisfaction of Tax Obligations

Appropriate provision shall be made for all taxes required to be withheld in connection with the grant, vesting, exercise, or other taxable event with respect to Awards under the applicable laws and regulations of any governmental authority, whether federal, state, or local and whether domestic or foreign, including, without limitation, the required withholding of a sufficient amount of Common Stock otherwise issuable to a Participant to satisfy such required tax withholding obligations. To the extent provided by the Plan Administrator, a Participant is permitted to deliver Common Stock (including shares acquired pursuant to the exercise of an Option or Stock Appreciation Right other than the Option or Stock Appreciation Right currently being exercised, to the extent permitted by applicable regulations) for payment of withholding taxes in connection with the grant, vesting, exercise and/or settlement of Awards, as the case may be, or as of any other date required by applicable law. Common Stock may be required to be withheld from the shares issuable to the Participant upon the exercise of an Option or Stock Appreciation Right, upon the vesting and/or settlement of Restricted Stock or Restricted

Stock Units, or upon the payout of Performance Shares or Performance Units, to satisfy such required tax withholding obligations. The Fair Market Value of Common Stock as delivered pursuant to this Section 18.10 shall be determined as of the day of such exercise, vesting and/or settlement, as the case may be, or as of any other date required by applicable law, and shall be calculated in accordance with Section 2.22 of this Plan.

Any Participant who makes an election under Section 83(b) of the Code shall, within ten (10) days of making such election, notify the Company in writing of such election and shall provide the Company or such Participant's Employer with a copy of such election form filed with the U.S. Internal Revenue Service.

A Participant is solely responsible for obtaining, or failing to obtain, tax advice with respect to participation in the Plan, including prior to the Participant's (i) entering into any transaction under or with respect to the Plan, (ii) designating or choosing the times of distributions under the Plan, (iii) the making of any elections applicable to the Participant in connection with any Award under the Plan, including, without limitation, an election under Section 83(b) of the Code, or (iv) disposing of any Common Stock issued under the Plan.

11. Participants in Foreign Jurisdictions

The Plan Administrator shall have the authority to adopt such modifications, procedures, and subplans as may be necessary or desirable to comply with provisions of the laws of any countries in which the Company or any Subsidiary may operate, to ensure the viability of the benefits from Awards granted to Participants employed in such countries, to meet the requirements of applicable foreign laws that permit the Plan to operate in a qualified or tax-efficient manner, to comply with applicable foreign laws, and to meet the objectives of the Plan; provided, however, that no such action taken pursuant to this Section shall result in a "material revision" of the Plan under applicable securities exchange corporate governance rules.

SECTION 19 REGULATORY COMPLIANCE

1. Rule 16b-3

The Company's intention is that, so long as any of the Company's equity securities are registered pursuant to Section 12(b) or 12(g) of the Exchange Act, the Plan shall comply in all respects with the rules of any exchange on which the Common Stock is traded and with Rule 16b-3. If any Plan provision is determined not to be in compliance with the foregoing intentions, that provision shall be deemed modified as necessary to meet the requirements of any such exchange and Rule 16b-3.

2. Section 162(m)

It is the intent of the Company that Awards granted to persons who are designated by the Plan Administrator as Covered Employees shall, if and to the extent so designated by the Plan Administrator, qualify as performance-based compensation under Section 162(m). If any provision of the Plan as in effect on the date of adoption of any agreements relating to Performance Awards that are designated as intended to qualify as performance-based compensation under Section 162(m) does not qualify or is inconsistent with the requirements of Section 162(m) of the Code, such provision shall be construed or, to the extent permitted under the Code, deemed amended to the extent necessary to conform to such requirements. The Plan Administrator shall have no discretion to modify or waive the Performance Goals or conditions to the grant or vesting of an Award, unless such Award is not intended to qualify as performance-based compensation under Section 162(m) and the relevant Award Agreement provides for such discretion. Notwithstanding the foregoing, to the extent permitted in the relevant Award Agreement and/or subplan, the Plan Administrator may, in its sole discretion, reduce (but not increase) the amount payable in respect of an Award intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m); provided, however, that the Plan Administrator may not exercise discretion to increase the amount payable in respect of an Award intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m).

3. Section 409A

The Plan is intended to be administered, operated, and construed in compliance with Section 409A and any regulations or other guidance issued thereunder. Notwithstanding this or any other provision of the Plan to the contrary, the Board or the Plan Administrator may (but shall have no obligation to) amend the Plan or any Award in any manner, or take any other action, that either of them determines, in its sole discretion, is necessary, appropriate, or advisable to cause the Plan to either be exempt from, or comply with, Section 409A and any regulations or other guidance issued thereunder. Any such action, once taken, shall be deemed to be effective from the earliest date necessary and applicable to avoid a violation of Section 409A, and shall be final, binding, and conclusive on all Participants and other individuals having or claiming any right or interest under the Plan. None of the Company, any Affiliate, the Plan Administrator nor any of their respective agents shall have any liability to any Participant or beneficiary thereof as a result of any tax, interest, penalty or other payment required to be paid or due pursuant to Section 409A of the United States Internal Revenue Code or any obligations or damages arising from a violation of or failure to comply with Section 409A.

Notwithstanding the provisions of the Plan or any Award Agreement, if a Participant is a “specified employee” upon his or her “separation from service” (within the meaning of such terms in Section 409A under such definitions and procedures as established by the Company in accordance with Section 409A), any portion of a payment, settlement, or other distribution made upon such a “separation from service” that would cause the acceleration of, or an addition to, any taxes pursuant to Section 409A will not commence or be paid until a date that is six (6) months and one (1) day following the applicable “separation from service.” Any payments, settlements, or other distributions that are delayed pursuant to this Section 19.3 following the applicable “separation from service” shall be accumulated and paid to the Participant in a lump sum without interest on the first business day immediately following the required delay period.

SECTION 20 ESTABLISHMENT AND TERM OF PLAN

The Plan was adopted by the Board on September 26, 2016, and was approved by the Company’s stockholders on February 9, 2017. This Plan became effective on the Effective Date, and upon such effectiveness, this Plan replaced the Prior Plans, and no further Awards are to be made under the Prior Plans from and after the Effective Date. This Amended and Restated Plan was adopted by the Board on [], 2017, subject to approval by the Company’s stockholders. The Amended and Restated Plan shall become effective on the Restatement Effective Date, and shall remain in effect for a period of ten (10) years after the Restatement Effective Date. If the Amended and Restated Plan is not so approved by the stockholders, all provisions of the Initial Plan shall remain effective. After this Plan is terminated, no future Awards may be granted pursuant to the Plan, but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and this Plan’s terms and conditions.

SECTION 21 AMENDMENT, TERMINATION, OR DISCONTINUANCE OF THE PLAN

1. Amendment of Plan

Subject to approval of the Board with respect to amendments that are required by law or regulation or stock exchange rules to be submitted to the stockholders of the Company for approval, the Board or the Compensation Committee may from time to time make such amendments to the Plan as it may deem proper and in the best interests of the Company, including, without limitation, any amendment necessary to ensure that the Company may obtain any regulatory approval referred to in Section 17 of this Plan; provided, however, that (i) to the extent required by applicable law, regulation, or stock exchange rule, stockholder approval shall be required, and (ii) except as otherwise provided in the Plan, no change in any Award previously granted under the Plan may be made without the consent of the Participant if such change would impair the rights of the Participant under the Award.

2. Termination or Suspension of Plan

The Board or Compensation Committee may at any time suspend the operation of or terminate the Plan with respect to any Common Stock or rights which are not at that time subject to any Award outstanding under the Plan.

3. Section 162(m) Approval

If so determined by the Plan Administrator, the provisions of the Plan relating to Performance Goals and Awards that are intended to constitute “performance-based compensation” under Section 162(m) shall be disclosed to, and reapproved by, the Company’s stockholders no later than the first stockholder meeting that occurs in the fifth year following the year in which the Restatement Effective Date occurs (or at any such other time as may be required or allowed by Section 162(m)) in order for Awards that are intended to constitute “performance-based compensation” under Section 162(m) granted after such time to be exempt from the deduction limitations of Section 162(m).
